PROFILE

I'm a quick learner with a positive attitude and high aims for self-improvement - always on the hunt for something new. My friends describe me as an easy-going and communicative team player. I'm a well organized person, driven by results.

EXPERIENCE

SOFTWARE DEVELOPER

EDUCATIONAL PROJECT (FOOCODING) | SWEDEN

Jan 2023 - Apr 2023

- Developed an educational platform using React, TypeScript, and a REST API.
- Responsible for the front-end development, including user interface design and dynamic content integration.
- Implemented features like real-time data updates, ensuring a seamless and responsive experience.
- Worked through the entire development cycle, from planning to deployment.

COMMUNICATION SPECIALIST, PROJECT MANAGER

KVARNBY COMMUNITY COLLEGE | SWEDEN

Oct 2023 - Current

- Developed communication strategies and managed content for digital platforms and the website.
- Facilitated communication through translation and interpretation of documents and conversations.
- Led and executed projects, ensuring the successful accomplishment of project goals

E-COMMERCE BUSINESS OWNER

SISTER FOX STUDIO | UKRAINE

Sep 2017 - Jan 2022

- Managed all operations of an online store, including sales, shipping logistics, and customer support.
- Designed, created, and marketed handmade products to an international customer base.
- Oversaw inventory control, order fulfillment, and the creation of accurate and compelling product listings.

PSYCHOLOGIST

EDUCATIONAL FACILITY | UKRAINE

Dec 2013 - Jul 2017

- Provided psychological assessments and support, working with students, staff, and families.
- Developed tailored interventions and counseling to promote emotional well-being and academic success.
- Collaborated with educators to create a supportive environment and address psychological challenges.

EDUCATION HISTORY

FULLSTACK WEB DEVELOPMENT
FOOCODING NEWCOMERS | SWEDEN

Oct 2023 - Jun 2024

- Engaged in comprehensive studies of modern web development technologies, including HTML, CSS, JavaScript, TypeScript, and popular frameworks such as React and Node.js.
- Gained hands-on experience in full-stack development by building and deploying several web applications from concept to completion.
- Acquired proficiency in working with databases (SQL and NoSQL) and version control using Git and GitHub, ensuring efficient code management and collaboration throughout the development process.

SWEDISH LANGUAGE STUDIES
MALMÖ | SWEDEN

Nov 2022 - Ongoing

Completed SVA2 (equivalent to C1 level) with successful results, demonstrating advanced proficiency in Swedish. Currently enrolled in the final course, SVA3, at the gymnasial level, focusing on further development of advanced language skills.

WEB DEVELOPMENT
SHECODES EDUCATIONAL PLATFORM

Jan 2022 - May 2023

Completed an introductory course in web development, covering fundamental skills and concepts. Gained practical knowledge in HTML, CSS, and basic JavaScript, providing a solid foundation for creating and managing websites.

PSYCHOLOGY, PEDAGOGICAL UNIVERSITY
TERNOPIL | UKRAINE

Aug 2008 - Jun 2013

Successfully completed a university degree in Psychology, gaining a deep understanding of psychological theories, research methods, and practical applications. Developed strong analytical, communication, and problem-solving skills, with a focus on human behavior and mental processes.
